After which the Nobility stood uncovered for a brief moment in silent tribute to the two former officers.

The Ceremonial Master then retired to the outer gate and escorted into the Temple the following distinguished guests:

DANA S. WILLIAMS, of Kora Temple, The Imperial Marshall of the Imperial Council.

JAMES R. WATT, of Cyprus Temple, Secretary of the Board of Trustees of the Shriners' Hospitals For Crippled Children.

The Ceremonial Master again retired to the outer gate and escorted into the Temple, Clarence M. Dunbar, The Imperial Potentate of the Imperial Council. A.A.O.N.M.S., of North America. After being introduced to the Nobility by Past Potentate. Walter W. Morrison, the Imperial Potentate responded. Telling of his visitations to many Temples in <sup>the</sup> Jurisdiction, also his experiences in visiting several of The Shriners' Hospitals for Crippled Children, and of the wonderful work being done by these Hospitals.

At the conclusion of his remarks the Imperial Potentate was presented with a very beautiful Solid Silver Tea Set.

There being no further business, the Temple was closed at 9:30 o'clock P.M., after which the entire membership witnessed the showing of the moving picture "An Equal Chance". This picture portrayed the life of a crippled child before and after being benefited by The Shriners' Hospitals for Crippled Children.

At 6:15 P.M. the Illustrious Potentate and officers of the Temple retired to Paul Revere Hall in Mechanics Building where the candidates were in waiting, and there conferred the Order of the Mystic Shrine upon them. From 6:15 to 7:15 the Aleppo Temple Band under the direction of Noble Walter M. Smith gave a wonderful concert for the benefit of the Nobility present. Previous arrangement having been made, this concert was broadcast over radio station WLEX located at Lexington, Massachusetts, through the courtesy and assistance of Nobles, Carl S. Wheeler, Joseph E. Jacobs.

At the conclusion of the concert the Temple was called to order and the Annual election was declared in order.

The following nominations were made for the office of Potentate for the coming year:

Samuel C.L. Haskell nominated by Thomas W. White, and

Dr. James D. Robertson nominated by Jacob L. Wiseman.

The distribution, collection and counting of ballots was under the direction of Noble Frank Seiberlich, assisted by 100 Nobles of Aleppo Temple, who were appointed for that purpose.

Upon completion of the balloting, all having voted who wished, the Chief Teller announced the following results:

Number of votes cast -	-	-	-	-	3594
Necessary for a choice -	-	-	-	-	1798
Votes cast for Samuel C.L. Haskell -	-	-	-	-	2324
Votes cast for Dr. James D. Robertson -	-	-	-	-	1270

Samuel C.L. Haskell, having received the necessary majority of votes cast, was declared elected.

Potentate Samuel C.L. Haskell thanked the Nobles in a few well chosen words for the confidence they had for a second time placed in him in selecting him as their leader for the year 1930.

The election was then proceeded with resulting in the election of the following officers for the year 1930.

Chief Rabban, Roy A. Faye  
Assistant Rabban, Almon E. Greenleaf  
High Priest and Prophet, Clarence J. McKenzie  
Oriental Guide, Frank A. North  
Recorder, Walter W. Morrison  
Treasurer, Joseph W. Work  
Trustee of the Permanent Fund, (three years), Frank L. Nagle  
Representatives to the Imperial Council,  
Samuel C.L. Haskell  
Roy A. Faye  
Fred E. Bolton  
Walter W. Morrison (Permanent)

As the entire list of above named Officers were re-elected it was not necessary to have an installation of Officers, they having been installed to their several offices for the previous year.

Upon motion of the Recorder, Walter W. Morrison, it was unanimously voted to empower the Representatives to spend such monies as they think proper for Aleppo's participation in the Imperial Council meeting at Toronto to be held in June 1930.

There being no further business the Temple was closed, after which the Nobles present witnessed a very enjoyable evening of wrestling,

and boxing bouts under the supervision of the Director, Noble  
Warren W. Freeman.

There were approximately 8000 members present.

*"Dine with the Nobility"*

**SHRINE  
GET-TOGETHER LUNCHEONS**

To be held Monday, April the sixth, Friday, May the eighth, and Thursday, June the eleventh, at 12.30 o'clock, in the Hotel Statler Ballroom. There will be a short luncheon, one good short act of entertainment, and one good speaker at each of these friendly gatherings.

Noble Gaspar G. Bacon, President of the Massachusetts State Senate, has assured us that he will be at our luncheon, April 6, 1931, at which time he will give us a short address on an interesting current event.

All Shriners are invited to attend these luncheons. The cost of each is \$1.25 per person. Nobles may invite their friends who are prospective Shriners.

Good fellowship is the mission of our fraternity and should the monthly luncheons be as successful as we anticipate, the nobles participating will be drawn closer together than has ever been possible heretofore.

Take advantage of this opportunity to broaden your acquaintance among the Nobles of Aleppo Temple.

Fill out the coupon below and deposit it in the box at the exit if you have not already signified your intention to be present.

*I will be present at the group of three luncheons on April 6, May 8, and June 11.*

ALEPPO TEMPLE -- NOTICE OF PROPOSED  
AMENDMENT TO BY-LAWS

---

Nobles:

It is hard to believe, nevertheless it is a fact, that nearly one-half of the Nobles of Aleppo are delinquent in the payment of their dues. This delinquency has so cut down our revenue that we are in the red so far as a proper pay-as-you-go policy is concerned.

Our Potentate believes that the situation can be considerably relieved if the present requirement of our by-laws that \$5.00 of every initiation fee be put into the Permanent Fund be rescinded so that the entire initiation fee may be available for current expenses.

The Imperial Council has just authorized a \$50 initiation fee, which makes the \$5.00 taken from income a greater burden now than it was when our initiation fee was \$75.00. Our Permanent Fund is large and does not need this \$5.00. The Potentate does need it if he is to keep up the standard of our Ceremonials.

In accordance with Article 7, Sect. 9, of the by-laws dealing with amendments, I now offer in writing at this stated session the following amendment to our by-laws and ask that it be borne upon the notices for the next stated session:

To amend Article IV, Sections 7 and 8 which now read

Sec.7 "The Treasurer shall pay all sums received for life memberships and \$5.00 from the fee of each successful candidate to the Trustees

of the Permanent Fund, who shall carefully and judiciously invest the same as Trustees of the Fund of Aleppo Temple of the Ancient Arabic Order, Nobles of the Mystic Shrine of Boston, Mass.

Sec. 8 "A Permanent Fund shall be established and styled The Permanent Fund of Aleppo Temple, Ancient Arabic Order Nobles of the Mystic Shrine of Boston, Mass. The Permanent Fund shall consist of the amount already invested in the hands of the Trustees, of the whole amount received for life memberships, of five dollars from each successful candidate, of all donations and bequests to the Temple, and of such additions as shall from time to time be made by vote of the Temple.

"It shall not be considered good faith in the Temple to diminish the rate of increase hereby established. The principal of the Fund shall never be expended except by unanimous vote of all the Nobles of Aleppo Temple at a special meeting called for that purpose,"

by striking out in Section 7 the words "and \$5.00 from the fee of each successful candidate" and in Section 8 the words "of \$5.00 from each successful candidate" so that said sections shall read as follows:

Sec. 7 "The Treasurer shall pay all sums received for life memberships to the Trustees of the Permanent Fund, who shall carefully and judiciously invest the same as Trustees of the Fund of Aleppo Temple of the Ancient Arabic Order, Nobles of the Mystic Shrine of Boston, Mass.

Sec. 8 "A Permanent Fund shall be established and styled The Permanent Fund of Aleppo Temple, Ancient Arabic Order Nobles of the Mystic Shrine of Boston, Mass. The Permanent Fund shall consist of the amount already invested in the hands of the Trustees, of the whole amount received for life memberships, of all donations and bequests to the Temple and of such additions as shall from time to time be made by vote of the Temple.

"It shall not be considered good faith in the Temple to diminish the rate of increase hereby established. The principal of the Fund shall never be expended except by unanimous vote of all the Nobles of Aleppo Temple at a special meeting called for that purpose."

## BOND SITS AS POTENTATE

Outside Sentinel Cheered  
by 6000 Shriners

THOMAS H. BOND  
Outside guard, honored by Aleppo  
Temple last night.

Seated in the chair of the potentate, who vacated it for the occasion, Thomas H. Bond was cheered last night by 6000 members of the Aleppo Temple of the Mystic Shrine in Mechanics building. The occasion for this tribute to Mr. Bond, once a famous pitcher of the Boston Nationals in the 70's, was the fact that he was about to see the first ceremonial of the Shrine during the 30 years that he has acted as outside sentinel.

Fred E. Bolton, potentate of the organization, introduced Mr. Bond to the great gathering of Shriners and then presented him with a diamond Shrine pin in the name of those present. As Mr. Bolton stepped from his high throne-like chair and escorted Mr. Bond to it with elaborate courtesy, Mechanics Hall rang with applause.

Last night the occasion was given much color because of the presence of the uniformed patrol and the large band, led by Walter Smith through a concert programme. Refreshments were served to all and so large was the attendance, with members of the organization from Boston, Providence, Worcester and many other adjoining cities and towns that both Grand and Mechanics Halls were used.

Following his reception and after he had witnessed a portion of the colorful ceremonial Mr. Bond returned to his old time post at the front of the hall, where he was congratulated on all sides.

### The Shrine Outing

THE 55th Annual Stag Outing of Aleppo Temple got off for a good start at 10:00 A. M. Tuesday, August 25, 1936, when the flag-bedecked steamer *Steel Pier*, left Long Wharf, Boston, and majestically sailed out of Boston harbor, on a perfect Summer day, and proceeded along the famous North Shore as far as Gloucester, thence to Plymouth and along the South Shore.

At the short business meeting held at 8:00 A. M. at Shrine headquarters, presided over by Chief Rabban Harry G. Pollard, in the absence of Illustrious Potentate Frank A. North, and officers of the Temple, eight candidates were elected and obligated. Their names appear elsewhere in this issue of *The News*. The reading of the records of the previous meeting was dispensed with.

Following the adjournment of the business meeting, the officers and Nobles present journeyed to the steamboat wharf where they joined many other Nobles and went aboard the boat.

For eight delightful hours there was something happening for the recreation and pleasure of the five hundred or more in attendance. Aboard the steamer the members were served a Seiler dinner, under the supervision of Steward George Shackford and his assistants. Each member also received a leather bill-fold as a souvenir, with the name "Aleppo" stamped in gold on one corner.

There was a continuous buffet lunch all day and each one received a package of cigars. It has not been reported that there were any instances of the Nobles "feeding the fishes" on the trip. All were evidently "good sailors" in this particular.

Upon ballot 5 Nobles were granted demits as per monthly reports of May and June.

There being no further business the meeting was closed.

The 20 candidates present were then escorted into the Temple where they witnessed the rendition of the first and third sections of the ritual as portrayed by the Ritualistic Degree Team, under the supervision of Noble Wilfred C. In the order of business, it was voted that the reading of the records of the Annual Stag Outing held August 25, be dispensed with.

Chief Rabban Pollard advised the Nobles present that he had just been in communication with Illustrious Potentate Frank A. North, who is at home recuperating after his recent illness, and who wished the Nobles a most enjoyable Ceremonial. He regretted the fact that he was unable to attend and hoped soon to be mingling among the Nobility as of yore. The Chief Rabban also advised the members that two very distinguished Nobles, Past Potentate and Commander of the Uniformed Units Fred E. Bolton and Band Leader Walter M. Smith were not able to be present on account of illness.

In the absence of Commander Bolton, Marshal Henry D. Cormerais and Adjutant Benjamin R. Vaughan took charge of the Arab Patrol, who gave an exhibition of fancy drilling, for which they were very heartily applauded.

Noble Walter M. Smith, Jr. very ably

conducted the Shrine Band in a manner which reflected the skill and ability he inherited from his talented father.

The Aleppo Temple Choir under the direction of Noble Wilbur E. Davison, gave a concert, assisted by the Aleppo Band. Noble Franklin Field was the vocal soloist.

Recorder Walter W. Morrison then presented a motion which was duly seconded and unanimously passed, that a committee be appointed by Chief Rabban, Harry G. Pollard to obtain a Past Potentate's jewel to be presented to Illustrious Potentate Frank A. North at the Annual Meeting, January 22, 1937.

Upon motion of Treasurer Frank W. Morrill, duly seconded and unanimously carried, it was voted that the Recorder be instructed to send a telegram to the Potentate of Mount Sinai Temple in session at Montpelier, Vermont, congratulating them on their Sixtieth Birthday Anniversary.

Upon motion of Assistant Recorder Harvey B. Leggee, an Honorary Membership in Aleppo Temple was unanimously voted to Noble Edward A. Hare, who has so ably and generously assisted Aleppo Temple in the designing of the covers for THE ALEPPO MONTHLY NEWS for 1936.

At the close of the business session, the meeting was turned over to Director Stanley W. Stedfast, who, with the assistance of his very able Degree Staff, worked the second section on the candidates. During the work, Noble Stedfast introduced the Directors of Palestine and Kora Temples, who were accompanied by several members of their degree staffs, whose contribution added to the enjoyment of the meeting, for which they received hearty applause.

There were 4,400 members present at this Fall Ceremonial, and "a good time was had by all."

There being no further business to come before this afternoon meeting, it was adjourned, to be called in session at 6:45 P.M. in Grand Hall.

Immediately following the afternoon session, at 5 o'clock, the doors to the banquet hall were opened for a buffet dinner served under the supervision of the Chief Steward and his assistants.

From 6:15 to 6:45 P.M., Aleppo Temple Band, under the direction of Walter M. Smith, Jr., assisted by the Aleppo Temple Choir, entertained the Nobility with many stirring selections, the outstanding one being a cornet solo by Walter M. Smith, Jr.

At 6:45 P.M., the Temple was again called to order in Grand Hall for the purpose of conducting the annual election of officers. In the absence of the retiring Potentate Frank A. North, Chief Rabban Harry G. Pollard conducted the election, resulting in the following Nobles being unanimously elected to office in Aleppo Temple for the ensuing year:

Potentate, Harry G. Pollard;  
Chief Rabban, Charles T. Cahill;  
Assistant Rabban, James J. Curry;  
High Priest and Prophet, Robert G. Wilson, Jr.;  
Oriental Guide, Willard P. Lombard;  
Treasurer, Frank W. Morrill;  
Recorder, Walter W. Morrison;  
Trustee of the Permanent Fund for Three Years, Joseph A. Bryant;  
Representatives to the Imperial Council for 1937:

Harry G. Pollard,  
Frank A. North,  
Charles T. Cahill,  
Fred E. Bolton.

The above officers were nominated by Past Potentate Fred E. Bolton, duly seconded by Past Potentate Clarence J. McKenzie, and the unanimous ballot for

each candidate cast by Assistant Recorder Harvey B. Leggee.

Upon accepting the office of Potentate, Illustrious Noble Harry G. Pollard was most enthusiastically received by the Nobles present, and was accorded a tremendous ovation by a large group of Lowell Nobles who had come down to Boston for the express purpose of seeing one of their native sons inducted into such a high and honorable office.

The officers as elected were then installed in their respective stations by Past Potentate Fred E. Bolton.

Potentate Arthur L. Carpenter, of Bekdash Temple, Concord, New Hampshire, was then introduced to the Nobles, and in behalf of his Temple presented honorary membership certificates to Nobles Frank W. Morrill, Treasurer, and Harvey B. Leggee, Assistant Recorder, who responded and thanked the visiting Potentate for the honors conferred. The Assistant Recorder of Aleppo in turn proposed the name of Illustrious Arthur L. Carpenter for honorary membership in Aleppo Temple, resulting in his receiving this honor.

The business meeting was then adjourned, following which the 4,800 Nobles present were treated to an evening's entertainment of high-class vaudeville under the direction of Noble "Charlie" Pike.

Literally thousands of our Nobles commented on the fact that our Noble Recorder, Walter W. Morrison, was unable to be present, due to a severe cold, this being the first Ceremonial of Aleppo Temple that he has missed in the past forty-two years, he having attended every meeting of the Temple since his initiation in 1895. No wonder they missed Walter!

Judging from the many complimentary letters received since this event, this Annual Session was one of the most successful and enjoyable held for many years.

of the

Ancient Arabic Order of the

for North America

OFFICE OF THE IMPERIAL POTENTATE,  
MINNEAPOLIS, MINN., AUGUST 25, 1938.

GENERAL ORDERS No. 3,

SERIES OF 1938-1939.

To the Representatives of the Imperial Council, Potentates of  
Subordinate Temples, and the Nobility of the Order:

## "Es Selamu Aleikum"

The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America in reality lives under three flags, and the membership in consequence is divided in its allegiance. It happens that 149 of our Temples owe allegiance to the Constitution and the flag of the United States. The membership of one Temple owes allegiance to the Mexican Republic, and the membership of nine other Temples are citizens of the great British Empire. The Imperial Potentate feels some concern, particularly, about the activities of certain agencies in the United States which are apparently active in destroying respect for constitutional government, and are planning in its stead foreign conceptions of government which are diametrically opposed to the guarantees of freedom of thought and action which are the very foundation on which the government of this country rests. He is, therefore, suggesting the following resolution which he feels the Temples of this country might be interested in adopting in full or in part and passing on to the Nobility through their magazines and other channels of information.

"WHEREAS, the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America realizes that the ideals and institutions embodied and provided for in the Constitution of the United States are responsible for the development of a Nation which in the short span of a century and a half has become in wealth, influence and character, second to none on earth, and

Constitution against all influences which seek to destroy its protective provisions and to deprive our citizens of those guarantees of freedom of thought and action which are the very keystone upon which our country rests, and

WHEREAS, Through propaganda and other means certain persons and organizations are attempting to implant in our jurisdiction, foreign conceptions of government which are diametrically opposed to the idea that our citizens are the masters of the state and not its pawns, and

WHEREAS, The time has arrived for loyal citizens to rally to the support of the Constitution and to use every lawful means at their disposal to defeat the efforts of those who seek to change our form of government and to deprive our people of the liberties which our citizens now enjoy:

NOW, THEREFORE, IT IS RECOMMENDED, That each Temple located in the United States, and its membership, reaffirm their allegiance to the Constitution, our country and to its flag, and be alert in preventing the growth of any influence in its jurisdiction which will be derogatory to Constitutional government, and report any information obtained of activities of adverse persons or organizations to the Imperial Potentate, who, acting alone or in conjunction with other organizations of patriotic citizens, will, to the extent of his authority, use every means in his power, and take such action as he may deem necessary, to contribute to the defense of the liberties guaranteed to our people under the Constitution and to counteract the efforts of those who work to destroy our present form of government."

It is directed that this General Orders No. 3 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council, this 25th day of August, A. D. 1938, and of the Order A. H. 1357.

OFFICE OF THE IMPERIAL POTENTATE,

GENERAL ORDERS No. 4,

SERIES OF 1938-1939.

To the Representatives of the Imperial Council, Potentates of  
Subordinate Temples, and the Nobility of the Order:

### "Es Selamu Aleikum"

The Imperial Potentate is anxious that an earnest and determined effort be made to rebuild the membership of the Shrine, and he urges the Temples to perfect their plans at once for a intensive campaign to accomplish this objective. Potentates, Recorders and other Temple Officers, upon whose shoulders rest the duties and responsibilities of leadership, are earnestly instructed to organize their committees without delay and set them to work along constructive lines in a mighty co-operative effort to combat the losses, increase restorations and affiliations, and what is equally important, augment the ranks of the Nobility with larger numbers of creations. The Imperial Potentate's ambition is to show a net gain in membership during the year 1938 and 1939. Every Temple and every Noble can be helpful in this great forward movement. The program is worthy of the best thought and the most enthusiastic support of every Noble in North America.

Attention is called to the following communication from the Membership Committee of the Imperial Council:

"TO POTENTATES, RECORDERS AND REPRESENTATIVES:

The Imperial Potentate is earnestly devoting himself to the task of rebuilding our membership. As you will recall, the last session of the Imperial Council made the Committee on Membership a permanent committee, and the Imperial Potentate has appointed a committee of ten, whose duties are defined as follows: 'It shall be the duty of the Membership Committee to devise plans to encourage

 "ES SELAMU ALEIKUM"

THE Annual Meeting of Aleppo Temple was opened in Talbot Hall, Mechanics Building, Boston, on Friday, January 20, 1939, at 4:00 P. M., by Illustrious Potentate Charles T. Cahill, assisted by his elected Divan and appointed officers.

Upon motion duly seconded it was unanimously voted that the annual reports of the Treasurer, Recorder, Trustees of the Permanent Fund and Auditing Committee, which were printed and distributed, be approved and adopted, to be spread upon the records of the Temple. Upon motion duly seconded it was also unanimously voted that the records of the November meeting, as written, be approved, and the reading of the same be dispensed with.

Upon motion duly seconded it was unanimously voted that the following distinguished Nobles be made Honorary members of Aleppo Temple:

HAROLD LLOYD,  
 Potentate of Al Malaikah Temple  
 F. LAURENCE BULFINCH,  
 Potentate of Bektash Temple  
 LEROY F. HUSSEY,  
 Potentate of Kora Temple

 CHARLES F. COATES,  
 Past Potentate of Sphinx Temple  
 HERBERT H. ROWSE,  
 Past Potentate of Bektash Temple  
 SIG. J. CHAKOW,  
 Director of Medinah Temple

Upon motion duly seconded it was unanimously voted that the following proposal be adopted:

"The Potentate and Treasurer of Aleppo Temple are hereby authorized on behalf of the Temple to assent to the first and final account of the First National Bank of New Bedford, Executor of the will of Hattie L. Perry, late of Edgartown, Massachusetts."

Upon ballot 47 Nobles were granted demits, as per the monthly reports of November and December, they being square upon the books of the Temple and having made written signed requests for the same.

reinstatement of delinquent members, and secure new members in co-operation with local Temples. This Committee shall be composed of not more than ten members. This committee will devote itself unreveredly to the duties assigned them. It is very desirable, of course, to begin this work at the earliest possible date, and this initial message is to suggest to you the desirability of organizing at once for a thorough campaign along these general lines. We are anxious to show a gain in our membership this year. The largest gain in membership in 1937 was made by Abdallah Temple of Leavenworth, Kansas. The celebration of the Fiftieth Anniversary of this good Temple was an incentive to make the campaign for membership a worth-while effort. Abdallah's splendid work shows what can be accomplished when a cooperative effort is made.

The most important thing is to organize, and the organization should be perfected without delay, and continue through the year. These organizations should cover every part of the Temple's jurisdiction. An earnest effort should be made to reclaim the large number of Nobles who for one reason or another have either demitted or permitted themselves to become suspended. In covering the territory, attention should also be given to the many eligibles who may be awaiting an invitation to join the great Order of the Mystic Shrine. Several suggestions present themselves. A 'home-coming' day might be planned, and all of these good Nobles might be welcomed back to the Temple fold. Other incentives might be found. We should have a very definite objective and bend all of our energies in that particular direction. As we have indicated, however, the principal thing is to organize and get busy, and we solicit the earnest co-operation of the official life and the membership of every Temple in our jurisdiction.

The Imperial Potentate has expressed his interest in the following paragraph: "I am vitally interested in having you get your Membership Committees working immediately on restorations, re-affiliations and new creations. Last year we took a loss of approximately 12,000 members, while our losses in previous years were much greater. We cannot afford to take these losses every year, and by prompt action now we will be able to hold our own and do a little better. Let us hope that your particular Temple will show an increase in membership by the time the Imperial Council meets next June."

All Communications should be addressed to the Chairman at 710 Empire Building, Des Moines, Iowa.

Sincerely yours in the Faith,

HARRY S. HASKINS, *Chairman*;  
 EDWARD W. STEPHEN, *Vice-Chairman*;

 HARRY A. MANLEY,  
 WILLIAM D. MURPHY,  
 ERNEST C. HUETER,  
 JESSE D. HURLBURT,

 MAX FROHLICH, JR."

It is directed that this General Orders No. 4 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council, this 25th day of August, A. D. 1938, and of the Order A. H. 1357.

OVER one thousand uniformed units and officers of the Shrine Temples of New England and Canada gathered in Boston Friday and Saturday, August 25 and 26, to participate in the meeting, parade and celebration in connection with the third annual session of the Northeastern Shrine Council.

The delegates from the eleven Temples belonging to the Council held their annual dinner and executive session Friday evening at the Hotel Kenmore where they elected Dr. Harold Bickmore Chief Rabban of Kora Temple of Lewiston, Maine, president for the ensuing year. Noble John A. Peterson, Asst. Rabban of Sphinx Temple was elected vice president, and Recorder Nedd W. Brown of Melha Temple, Springfield, was re-elected secretary-treasurer.

Saturday morning Boston took on the appearance of an Arabian festival city with the uniformed units of Temples from all parts of New England and Canada arriving at all transportation terminals. Dressed in their multi-colored uniforms and led by their official divans they marched to Shrine headquarters where they formed one of the largest Shrine parades seen in this part of the country for many years.

Thousands of people lined the streets on both sides to witness the procession which wound its way through the streets

of Boston, arriving at Boston Common in mid-afternoon, where Mayor Maurice J. Tobin with Potentate James J. Curry and officials of the Northeastern Shrine Council reviewed the parade from a stand on the Common.

Following the review the Arab Patrols of four of the visiting Temples staged an exhibition drill before a crowd of 25,000 people.

Sphinx Temple of Hartford, Connecticut, was adjudged the winner of the Potentates' trophy for the best exhibition drill.

Led by a fife, bugle and drum corps, the Sphinx Patrol, dressed in red shoes, blouses, sashes and fezzes, yellow stockings and vests and green zouave trousers, formed the pyramid, crescent and other Shrine symbols in perfect precision.

Mount Sinai Temple patrol of Montpelier, Vermont, were judged a close second with their snappy execution and distinct fancy drilling. Their drilling was done entirely without commands. The judges, consisting of Col. Henry D. Cormerais, drill master of Aleppo Temple, Lt. Col. Ralph H. McLeod and Major Louis L. Morse, praised the drill teams very highly for their wonderful work. In addition to the patrols of Sphinx and Mount Sinai Temples, Kora Temple of Lewiston, Maine and Melha Temple of

Springfield, Massachusetts also entered the competition.

The Nobles of Kora Temple wore predominating purple, carried huge sabers, and caught the fancy of the crowd with their maneuver of a circle in which each man sat on the lap of the one behind him. They performed their drilling on the Common without music.

The Melha band, which wore costumes contrasting those of their Arab patrol, was the largest visiting contingent present and boasted of having the tallest tuba player in New England, 6 feet 6.

As a grand finale the visiting uniformed units stood at attention while the Aleppo Temple band formed in front of the reviewing stand and played the Star Spangled Banner.

In the reviewing stand were the Potentates and Chief Rabbans of the visiting Temples, who occupied the front row of the stand to review and witness the spectacle.

Following the review the parade was again formed and marched to Mechanics Building where they joined other Shriners and enjoyed a dinner, band concert and huge vaudeville show.

During the evening show, Potentate James J. Curry presented the trophy won in the prize drilling by Sphinx Temple, to Captain Leonard Keaser, captain of the Sphinx Arab patrol.

RECORDER

FOR the first time since the institution of Aleppo Temple in 1882, the father of a man elected Potentate was alive. On Friday, January 26 at the annual election in Aleppo, Walter W. Morrison, Recorder for many years and a Past Potentate, introduced Noble Robert Gardiner Wilson, Jr., and said that it was an unusual pleasure to ask him to nominate his son for Potentate for the ensuing year, which he did in very few words.

Robert Gardiner Wilson, Jr., was then unanimously elected, and his father placed the fez of Potentate on his head.

### ANOTHER SON HONORED

Just to keep the good work moving, Recorder Morrison introduced Noble Fred E. Lombard, who nominated his son, Willard P. Lombard as Chief Rabban, second office in line, who was also unanimously elected.

Noble Arthur A. Sondheim was elected to the office of Assistant Rabban, Lionel G. H. Palmer, High Priest and Prophet; Justin A. Duncan, Oriental guide, and Frank W. Morrill, Treasurer.

Aleppo has had only three Treasurers. One served 40 years, Mr. Morrill for the past five years. Walter W. Morrison, Recorder, the best known Shriner in America or Canada and Potentate a quarter century ago, took in 12,345 candidates in his term.

Elections in Aleppo would lose much of their humor without Recorder Walter Morrison. As he stepped to the microphone to thank the Nobles for their confidence in him, he beckoned for a young man to join him. Placing his arm around the shoulders of Harvey B. Leggee, he said:

"Nobles, you elected me Recorder, but the real Recorder is this young man. I thank you for electing me to play around and kid you into thinking I am doing the job, but Harvey does the work, while I play.

"If he would not accept the appoint-

ment of assistant, I would have to resign, for you would quickly find out who was the Recorder in fact."

The crowd of some 5,000 gave both Walter and Harvey a great hand

### ROBERT GARDINER WILSON, JR.

Illustrious Potentate Robert Gardiner Wilson, Jr., is a native of Boston and resides there. He is an attorney, with offices at 20 Beacon Street.

He has four children and is a graduate of Boston Latin School, of Harvard College in 1914 and Harvard Law School in 1917. He was a classmate of Governor Saltonstall at both Harvard College and the Law School, LL.B. He went into law practice in 1917 and has been active in the work since that date.

A member of the Boston City Council for 12 years from Ward 17, the central Dorchester district, under four successive mayors, he was elected six times in an overwhelming Democratic district and in 1937 by a 3,700 majority.

He declined to run in 1939, as he wished to give more time to his growing law business. He was a delegate to the Republican National Convention in Cleveland, Ohio, four years ago.

Mr. Wilson has been active in Masonic bodies. He was Master of Joseph Webb Lodge, A. F. & A. M., in 1927. Excellent High Priest of St. Paul's Royal Arch Chapter in 1933, Illustrious Master of Boston Council, R. & S. M., in 1928, is the present Eminent Commander of Boston Commandery, K. Dear Recorder Wellman:

We have just received an application for membership in Aleppo Temple from Mr. Clyde Foster Frost of 83 Coyle Street, Portland, Maine.

Mr. Frost has an investment business in Boston (the Clyde F. Frost Co.,) and has just joined Massachusetts Consistory of Boston through a release of jurisdiction from Maine. He spends most of his time in Boston and has many friends in Aleppo as well as some of his associates in business.

Due to the above facts we would respectfully ask a release of jurisdiction for Brother Frost that he may join Aleppo here in Boston with his many friends.

## REPORT OF COMMITTEE ON FORMS AND CEREMONIES

Adopted at Indianapolis, June 11, 1941, for the Guidance of Temples  
During Visitations of the Imperial Potentate

The following suggestions are made to cover details connected with parades and receptions:

In street parades the colors (singly or massed) should immediately precede the first uniformed marching unit.

Automobiles, following the designated Marshal and his orders, shall proceed in the following order:

1. Imperial Potentate and Potentate of Home Temple. The Imperial Potentate (or by agreement with Potentate) may invite any celebrity who may be in attendance at the function to be a guest passenger.
2. Imperial Officers—other than Imperial Potentate.

3. Past Imperial Potentates. (A local escort should be designated to ride in each of the cars in Groups 2 and 3).
4. Home Temple Divan.
5. Distinguished Guests other than those in Groups 2, 3 and 6.
6. Visiting Potentates, Divans and Past Potentates.

Marching Units may be assigned to positions between these automobile groups, at the discretion and direction of the parade Marshal.

Upon arrival at the Mosque or Building wherein the Ceremonial or Reception is held, quarters should be provided for the Imperial Potentate. These quarters, if possible, should be separate from the general reception space so that privacy may be ensured without undue disturbance, for discussion, interviews, etc. An attendant (designated by the Potentate) should be constantly available.

During the introduction and reception of guests the Imperial Potentate should not be subjected to a long, standing wait for his turn but should be comfortably provided for.

The order of reception should be as follows:

Visiting Potentates, Past Potentates and Divans.

Visiting dignitaries and celebrities (other than those listed below).

Past Imperial Potentates.

Imperial Officers (presented individually, in reverse order of their official station).

Imperial Potentate.

Escort will take position on the left of the Imperial Potentate and should conclude remarks with—"Illustrious Potentate, I have the honor of presenting Illustrious ..... of ..... Temple, ..... (City) ..... (State), Imperial Potentate of the Ancient Arabic Order Nobles of the Mystic Shrine for North America."

Potentate: You will conduct the Imperial Potentate to the East.

The Potentate will conclude his remarks of welcome with—"Nobles, I have the honor of introducing Illustrious ..... Imperial Potentate".

The gavel should be presented to the Imperial Potentate who, upon acceptance, will await presentation of the following guests, if present:

Grand Master of the Grand Encampment.

Sovereign Grand Commander.

Most Worshipful Grand Master.

The only address should be made by the Imperial Potentate.

Ceremonial or program will proceed as arranged.

At banquets the Imperial Potentate should be seated at the immediate right of the Potentate.

When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with other Imperial officers and escorts seated alternately at the right and left of the central group.

Acting upon the suggestion that there should be a clarification of several matters pertaining to the Colors, your Committee on Forms and Ceremonies reports as follows:

Since custom has definitely ordained that the fez be worn by a Noble, either in civilian or uniformed unit attire, as a part of his Shrine uniform, he should not remove it when the Colors pass but should execute a right hand salute.

#### Special Information

The Officers of Subordinate Temples are again earnestly urged to familiarize themselves with the By-Laws and Code of the Imperial Council. If this suggestion is followed, considerable unnecessary correspondence may be eliminated.

Each year considerable correspondence is addressed to the Imperial Potentate direct by individual Nobles, and attention is called to Section 119, Article XVI, of the Imperial By-Laws, which reads as follows:

"Sec. 119. Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate."

The Imperial Potentate requests that all correspondence be directed to him at P. O. Box 1558, Atlanta, Ga. This will insure prompt attention and prevent the loss of time in reaching him on his official visitations.

It is directed that this General Orders No. 1 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council, this 15th day of July, A. D. 1941, and of the Order A. H. 1360.

At 6:45 o'clock P.M., the Temple was again called to order in Grand Hall of Mechanics Building by Illustrious Potentate Robert Gardiner Wilson Jr., for business and the annual election of officers.

The election, which was conducted by Past Potentate and Recorder, Walter W. Morrison, resulted in re-election of the entire divan of officers as follows:

POTENTATE	ROBERT GARDINER WILSON JR.
CHIEF RABBAN	WILLARD P. LOMBARD
ASSISTANT RABBAN	ARTHUR A. SONDEHEIM
HIGH PRIEST & PROPHET	LIONEL G. H. PALMER
ORIENTAL GUIDE	JUSTIN A. DUNCAN
TREASURER	FRANK W. MORRILL
RECORDER	WALTER W. MORRISON
TRUSTEE OF THE PERMANENT FUND FOR THREE YEARS	ROBERT GARDINER WILSON SR.
REPRESENTATIVES TO THE IMPERIAL COUNCIL FOR 1941	WALTER W. MORRISON, Emeritus ROBERT GARDINER WILSON JR WILLARD P. LOMBARD JAMES J. CURRY HARVEY B. LEGGEE

Following the election of officers, Recorder Walter W. Morrison presented Illustrious Potentate Wilson with a Past Potentate's jewel, he having served the Temple for one year.

The following resolution was offered by Illustrious Potentate Wilson and was unanimously endorsed by the Temple:

Whereas Aleppo Temple of Boston, chartered on June 6, 1883, is now fourth largest among the 159 Shrine Temples in North America, and

Whereas Aleppo Temple, in all the 59 years of its history (except in the case of Noble Frank Locke, elected Imperial Chief Rabban in 1892), has

never had a line representative from its membership elected to the Imperial Council, and

Whereas Illustrious James J. Curry, during his year as Potentate of Aleppo Temple exhibited splendid and unquestioned qualities of leadership—resulting in the lowest net loss in membership in ten years, and

Whereas Illustrious Noble James J. Curry is a Knight Templar, a 32° Mason, a Past Commander of the famous Ancient and Honorable Artillery Company of Boston, a former President of the Northeastern Shrine Council, and in his gradual promotion to his present responsible position as President of the Waldorf Company, has displayed rare qualities of business management, and executive ability,

Now Therefore, Be It Resolved that the officers and members of Aleppo Temple at Annual Meeting held in Boston, Saturday evening, January 25, 1941, proudly endorse Illustrious James J. Curry for election to the office of Imperial Outer Guard at the Imperial Session to be held at Indianapolis in June, 1941.

There being no further business the meeting was adjourned, following which the 2,500 Nobles present were treated to a two hour high class vaudeville show, under the direction of that master showman, Noble Charles W. Pike.

There were approximately 2,500 Nobles and visitors present at this meeting, which was the first Saturday evening meeting held since 1927. Due to the heavy snow storm of Friday, which tied up most means of transportation, it was felt by the officers that the number present had been reduced to one half

The following two applicants elected to receive the degrees were not present and will be entitled to receive the same at the Annual Meeting to be held January 23, 1942.

EMILE LOUIS ROUSSEAU OF WORCESTER  
ROBERT WISE OF BROOKLINE

Potentate Wilson thanked the Nobility for their efforts in the past year in procuring new members and assisting in reinstating former members. He announced that the membership figures for the year including this Cerimonial showed a total of 112 new members, 20 affiliations and 400 reinstatements. This represents the second largest number of affiliates in 6 years, the second largest number of applicants in 10 years and the largest number of reinstatements in the entire 59 years' history of Aleppo Temple.

He also stated that the total number of applicants, affiliations and reinstatements amounted to 532, the highest in the past 13 years and that present indications are that the year 1941 will show our first net gain in membership in 14 years.

Upon motion duly made and seconded it was unanimously voted to release jurisdiction of Robert H. Hunt of Worcester in favor of Sphinx Temple of Hartford, Conn., that temple having made written request for the same.

Upon motion duly seconded, Noble Ernest B. Wilkinson of El Zogal Temple, Fargo, North Dakota, and Secretary of the "Mandan Indian Shrine" was unanimously elected to Honorary Membership.

The Illustrious Potentate read the following resolution which was duly seconded and unanimously voted:

Whereas, Aleppo Temple, fourth largest Shrine Temple in North America, has not been host to the Imperial Council since its visit in 1895 to Nantasket Beach, and

Whereas the Imperial Council has never held its session in the City of Boston, and

Whereas Boston,--- proud old city of recognized cultural attainments and rare historic charm, founded in 1630 by Governor John Winthrop and his courageous companions comprising the Massachusetts Bay Colony,--- looks backward over 311 years with conscious pride in its contribution to the moral, social civic, historic, and economic development of a great empire, and

Whereas the historical background of Boston is indelibly imprinted on the minds of all those familiar with the struggles, adversities of the early American Colonists, and the establishment of the first free civic government in the Western Hemisphere, and

Whereas every English speaking advocate of a democratic form of government desires some day to see Bunker Hill, Faneuil Hall, the birthplace of Paul Revere, Boston Common, the Old South Meeting House, the Old State House, the scene of the Boston Massacre, Kings Chapel built in 1749, the Old North Church, Louisburg Square, Plymouth Rock,

Concord, Lexington, and other shrines in the history of this nation, and

Whereas thousands annually visit the beautiful Charles River Basin, Harvard University, Massachusetts Institute of Technology, the Christian Science Church, and the beautiful North and South Shores of Massachusetts Bay, and

Whereas the American Legion has twice, within a period of ten years, honored Boston as its chosen Convention City, and

Whereas the uniformed units of Aleppo Temple for many years have consistently attended annual sessions of the Imperial Council in other cities throughout the United States and Canada, and

Whereas innumerable Shrine Temples in North America have repeatedly expressed an urgent desire that a session of the Imperial Council, with the uniformed bodies, might be held in Boston,

BE IT RESOLVED that the Nobility of Aleppo Temple, in meeting assembled, officially invites the Imperial Council, accompanied by members of the uniformed units, to hold the next Imperial Session in Boston in June of 1942."

(S) Robert Gardiner Wilson, Jr.  
Illustrious Potentate

There being no further business to come before the meeting the 29 candidates present were escorted into the Temple where they took the obligation of the Order of the Mystic Shrine and witnessed the ritualistic work of the 1st and the 3rd sections of the degree as portrayed by the Ritualistic Degree Team. Following the ritualistic work a buffet dinner was served by the Temple Stewards.

The Shrine Band, under the direction of Walter M. Smith, Band Leader, gave a concert in Grand Hall from six to six forty-five P. M. At six forty-five Illustrious Potentate Wilson called the Temple to order in Grand Hall for the transaction of business and initiatory ceremonies.

This Ceremonial was held in honor of the Nobles of the Mystic Shrine who are serving in the armed forces of the United States. An invitation was sent to the Service Camps and Navy Yard in Massachusetts, inviting all Nobles to attend the Ceremonial in their service uniforms.

Major Raymond Lang, Asst. Chaplain of Aleppo Temple and the present head Chaplain of Camp Edwards, assisted in the evening's work, acting as Chaplain.

An exhibition drill by the Aleppo Temple Patrol and Company review by all uniformed units of the Temple were enthusiastically received. At the conclusion of the ritualistic work and the 2nd section degree work a magnificent vaudeville show was given under the direction of Noble Charles W. Pike.

A previous invitation was also given to any man in a uniform of the United States Forces, regardless of Masonic affiliations, to attend this vaudeville show. An interesting event of the evening was the appearance of Company H, 24th Infantry of the Massachusetts State Guard, who gave an exhibition of drill formation and the new manual of arms. The emergency squad of the Company gave an exhibition Gas Mask Drill. These men in their new green uniforms were enthusiastically received and given a great ovation for their work. In response to the invitations sent to the service men, several hundred visiting Nobles appeared in uniforms.

There were approximately 3,000 Nobles present at this meeting.

The records of the Treasurer of the Trustees of the Permanent Fund have been examined, approved and found correct.

ALBERT FRUH, Auditor and Accountant.

Following the acceptance of these reports the Illustri-

our Potentate called the attention of the Nobles to the fact that Aleppo Temple had made its first annual gain in membership, numbering 24, since the year 1927, a period of 14 long years and had reinstated 400 former members, the largest number of reinstatements in one year since the institution of the Temple.

# RESOLUTION

"Whereas Aleppo Temple of Boston, chartered on June 6, 1883, is now fourth largest among the 159 Shrine Temples of North America: and

"Whereas Aleppo Temple, in all the 59 years of

its history, has never been represented on the Imperial Divan, except in the case of Willie Frank Locke who was elected Imperial Chief Rabban in 1892; and

"Whereas New England has had no representation on the Imperial Divan for many years; and

"Whereas Robert Gardiner Wilson, Jr., three times elected Potentate of Aleppo Temple, has rendered distinguished and tireless service to Shrine-dom, and has exhibited splendid qualities of leadership which this past year resulted in the first net gain in Aleppo membership since 1927; and

"Whereas Robert Gardiner Wilson, Jr. has rendered distinguished service in Masonry generally, being a Past Master of Joseph Webb Lodge, A. F. & A. M., Past High Priest of St. Paul's Chapter R. A. M., Past Illustrious Master of Boston Council R and S. M., Past Commander of Boston Commandery K. T., a member of Massachusetts Consistory 32<sup>o</sup>, and at present Commander of the 8th Division of the Grand Commandery of Massachusetts and Rhode Island; and

"Whereas Robert Gardiner Wilson, Jr., has rendered energetic and distinguished public service, both City and State, in the legislative and judicial branches of our government;

"Therefore Be It Resolved---that Potentate Robert Gardiner Wilson, Jr. of Aleppo Temple be and he hereby is endorsed by said Temple for the office of Imperial Outer Guard of the Imperial Council; and that it is the desire of said Temple that the Representatives of Aleppo Temple present his name at the next session of the Imperial Council, and take all proper and lawful steps under the rules and laws of the Imperial Council to bring to the attention of the Officers and Representatives thereof the qualifications of Noble Robert Gardiner Wilson, Jr. for said office, and that the Recorder of Aleppo Temple be instructed to forward a copy of this resolution, under the seal of said Temple, to each member of the Imperial Council, and to each Temple of the Ancient Arabic Order of the Nobles of the Mystic Shrine."

Following the passage of this resolution Potentate Wilson said that he wished to express his appreciation of the vote, stating however, that under no circumstances would he permit his name to be presented to the Imperial Council if the 1942 Council Session should be awarded to Boston in response to the Temple's invitation of last year, due to the fact that in such case we would of course, be host to the Shriners of North America.

The 34 candidates as elected were then escorted into the Temple where they were initiated to the Mystic Shrine in full form and ceremony by the ritualistic degree team.

At the completion of the obligation of candidates and initiatory work the Temple was closed to be opened in Grand Hall at 6.45 P. M.

A buffet dinner was served from 5 until 7 P. M. in Machinery Hall. A band concert by Aleppo Band, under the direction of Walter Smith, was held from 6:15 to 6:45 P. M. Following the band concert Illustrious Potentate Wills called the Temple to order for the purpose of holding a business meeting and annual election of officers of Aleppo Temple.

The annual election of officers resulted in the reelection of the following Nobles for the ensuing year:

Potentate:	ROBERT GARDINER WILSON JR.
Chief Rabban:	WILLARD P. LOMBARD.
Asst. Rabban:	ARTHUR BONDRELL.
High Priest and Prophet:	LIONEL G. H. PALMER.

There being no further business the business meeting was  
adjourned and the 92 elected candidates were escorted into the  
Temple where they witnessed the work of the Spring ritual as por-  
trayed by the ritualistic degree team and took upon themselves the  
obligation of a Noble of the Mystic Shrine.

Following this ritualistic work the membership was served the  
traditional banquet and strawberry festival served by the steward,  
Noble A. E. Yarlotte and his corps of assistants.

The evening meeting was opened in Grand Hall, Mechanics  
Building at 6:30 P. M. at which time the Illustrious Potentate  
introduced the visiting officers. They were ushered to the rostrum  
by Past Potentates Haskell, North, Pollard and Cahill. During the  
evening ceremonies the various platoons of the Arab Patrol in their  
battalion drill were marked by three regular Army Officers on appear-  
ance, commands, marching steps and drill precision. In a close  
finish by a vote of two to one, the fourth platoon, under <sup>LT.</sup> William F.  
Sharpe, finished first; thus supplanting the third platoon under  
Lt. Dixon, the present holders of the chevrons.

The Aleppo Choir received great applause for their musical  
renditions and the feature of the evening was a solo by George Wheeler,  
well known soloist and radio artist. Noble Wheeler, who is one of  
Boston's best tenor soloists, was one of the 92 candidates of this  
meeting.

Following the Spring Ceremonial's introductions and the work  
of the third section of the ritual, the Degree Staff, with the assist-  
ance of the candidates, entertained the Nobility with some new and  
interesting second section work.

To close the ceremonies of the day Noble Charlie Pike pre-  
sented a vaudeville show which was enjoyed by all present judging by  
the applause received.

Two fathers who are members of Aleppo sponsored two sons  
each as candidates for this May class. Noble Arthur H. Chandler of

Middleboro sponsored his two sons, Howard L. and Russell W. Chandler, and Noble Edmund P. Blake sponsored his two sons, Winslow F. and Sgt. Edmund P. Blake, Jr., of the Quartermaster Corps.

Walter Smith, leader of the Shrine Band received an enthusiastic applause for his cornet solo which is always enjoyed by the Nobility.

The enthusiasm of this large gathering proved that in these unsettled times certain types of fraternal meetings and entertainments are desired and necessary to keep up the civilian morale so necessary to assist in carrying out the war effort of our country.

With the modes of travel changing daily, due to the shortage of rubber, gas and other necessary items for transportation, the traveling accommodations indulged in by the Shriners to get to this Ceremonial were many and varied. One Shriner arrived at the meeting in one of Boston's new public carriers, a one-horse barouche driven by a liveried coachman. A group from the Worcester Shrine Club, being unable to charter their regular stream-lined busses, hired private cabs to make the trip from Worcester to this Spring Ceremonial.

Many of the New Bedford Nobles shared their cars and others from the Whaling City came by train.

A few of our Shriners came by private cars but the steam train was the popular means of transportation.

There were present at this Ceremonial 2,264 Nobles including 113 visiting Nobles from 27 Temples throughout North America.

Mr. Joseph A. Bryant

Boston, Massachusetts

Dear Joe:

At the regular meeting of the Shrine held on August 31, the following motion was unanimously adopted, namely, that the Trustees of Aleppo Temple be requested to purchase an additional \$50,000 worth of Series G, 2 1/2% War Savings Bonds during 1942, and that the funds necessary for said purpose be withdrawn from such savings bank accounts as will so far as possible eliminate loss of any accrued bank interest, and with withdrawals preferably to be made first from savings bank accounts now paying 2% or less per annum.

In other words in view of the Government action increasing the limit from \$50,000 in any one year to \$100,000, we wish to purchase \$50,000 additional Defense Bonds of the type which pay interest semi-annually reckoned from the first of the month in which the purchases are made. Bearing in mind that no semi-annual interest payment can therefore be made in 1942 we desire the purchase made from funds in such savings banks as will have no interest dates due from now until the end of the year.

Sincerely yours,

RGW:EAB

Upon motion of Potentate Wilson duly seconded the following motion was unanimously carried:

That the Trustees of Aleppo Temple be requested to purchase an additional \$50,000 worth of Series G, 2½% War Savings Bonds during 1942, and that the funds necessary for said purpose be withdrawn from such savings bank accounts as will so far as possible eliminate loss of any accrued bank interest, and with withdrawals, preferably to be made first from savings bank accounts now paying 2% or less per annum.

The Acting Recorder of the meeting, Harvey B. Leggee, announced that following the business meeting the members of Aleppo would participate in the Annual Shrine Baseball Day at Fenway Park. The competing teams were the Boston Red Sox and the St. Louis Browns of the American League Baseball Club. Due to the fact that of the St. Louis Browns, the Manager, Noble James Luther Sewell, is a Shriner, he made the motion that Noble Sewell be made an Honorary Member of Aleppo Temple and a properly engraved Honorary Membership Certificate be presented to him during the celebration at Fenway Park in the afternoon. His motion was duly seconded and unanimously carried.

There being no further business, the meeting was closed following the conferring of the degrees and the Officers and members journeyed to Fenway Park, where they, with the Uniformed Units of the Temple, participated in special drills, flag raising and other ceremonies in connection with Shrine Baseball Day.

Previous to the regularly scheduled game between the Boston Red Sox and the St. Louis Browns of the American League, the Officers and Uniformed Units of Aleppo, together with the officials of Fenway park and the members of both Baseball Teams gathered at home plate on the field and presented a specially prepared Honorary Membership to James Luther Sewell, a member of Alcazar Temple of Montgomery, Alabama, and Manager of the St. Louis Browns.

Presentations of traveling kits were also made to Ted Williams, Johnnie Pesky and Dom DiMaggio of the Boston Red Sox, all of whom recently enlisted in the U. S. Naval Air Corps and are waiting call.

Arrangements of the Annual Shrine Baseball Day program were again this year under the direction of Assistant Recorder, Harvey B. Leggee, as Chairman.

An exhibition drill by Aleppo Temple Patrol was enjoyed by the Nobility present and included a competition drill by the several platoons.. The third platoon, under the leadership of W. Leslie Dixon, was awarded the platoon chevrons by the military judges. These chevrons are awarded each ceremonial to the best drilling platoon and were previously held by the fourth platoon who won them in the competition held at the May Ceremonial.

At the conclusion of the floor work the second section was worked upon the elected candidates by the degree staff assisted by Illustrious Potentate Robert Gardiner Wilson, Jr. who announced the several stunts as they were presented.

Following the second section work the meeting was closed and a vaudeville show was presented under the direction of Noble Charles W. Pike.

There were approximately 2100 Nobles present at this meeting.

		ALBERT FRUH, Auditor and Accountant.	

Upon motion duly made and seconded, Illustrious William W. Kline, Potentate of El Jebel Temple, Denver, Colorado and Illustrious Fred W. Linden, Potentate of Kaaba Temple, Davenport, Iowa, were unanimously elected Honorary Members.

It was brought to the attention of the Temple at this time by Assistant Recorder Harvey B. Leggee that Aleppo Temple at its annual meeting in 1942 unanimously passed a resolution endorsing Potentate Robert Gardiner Wilson, Jr. as a candidate for the office of Imperial Outer Guard of the Imperial Council at its meeting to be held in Chicago, Ill., June 29 to July 1, 1942. Noble Leggee further stated that Illustrious Potentate Wilson, who made an exceptional showing in the contest, was a close second in a field of five candidates for the office. In view of this fact he presented the following resolution which was unanimously adopted.

"Whereas Aleppo Temple of Boston, chartered on June 6, 1883, is now fourth largest among the 159 Shrine Temples of North America; and

"Whereas Aleppo Temple, in all 60 years of its history, has never been represented on the

Imperial Divan, except in the case of Noble Frank Locke who was elected Imperial Chief Rabban in 1892; and

"Whereas New England has had no representation on the Imperial Divan for many years; and

"Whereas Robert Gardiner Wilson, Jr., four times elected Potentate of Aleppo Temple, has rendered distinguished and tireless service to Shrine-dom, and has exhibited splendid qualities of leadership which during 1941 resulted in the first net gain in Aleppo membership since 1927, and during 1942 resulted in the largest number of new members in any one year since 1930; and

"Whereas Robert Gardiner Wilson, Jr. has rendered distinguished service in Masonry generally, being a Past Master of Joseph Webb Lodge, A. F. and A. M., Past High Priest of St. Paul's Chapter R. A. M., Past Illustrious Master of Boston Council R. and S. M., Past Commander of Boston Commandery K. T., a member of Massachusetts Consistory 32°, and at present Commander of the 6th Division of the Grand Commandery of Massachusetts and Rhode Island; and

"Whereas Robert Gardiner Wilson, Jr. has rendered energetic and distinguished public service, both City and State, in the legislative and judicial branches of our government;

"Therefore Be It Resolved: --- that Potentate Robert Gardiner Wilson, Jr. of Aleppo Temple be and he hereby is again endorsed by said Temple for the office of Imperial Outer Guard; and that it is the desire of said Temple that the Representatives of Aleppo Temple present his name at the next session of the Imperial Council, and that the officers and members of Aleppo Temple take all proper and lawful steps consistent with the by-laws and code of the Imperial Council to bring to the attention of the Officers and Representatives thereof the qualifications of Noble Robert Gardiner Wilson, Jr. for Imperial office, and that the Recorder of Aleppo Temple be instructed to forward a copy of this resolution, under the seal of said Temple, to each member of the Imperial Council, and to each Temple of the Ancient Arabic Order Nobles of the Mystic Shrine."

Potentate Wilson thanked the Nobility for the endorsement and promised the Nobility to do everything possible to honor Aleppo

Temple by bringing to its membership an official representative of the Imperial Council Divan.

The Potentate then brought up several items of interest to the Nobility stating that he desired to ascertain the sentiment of the members of Aleppo Temple. First, a motion was unanimously adopted "that the Trustees of the Permanent <sup>Fund</sup> of Aleppo Temple be requested promptly to purchase additional U. S. War Bonds in the sum of \$50,000.00.

The Potentate then stated that since the 1941 expiration of the 10 year lease of the headquarters and offices occupied by Aleppo Temple at 97 Huntington Avenue he had made several unsuccessful efforts to obtain a rent concession or at least adequate painting and repair of the premises and that it might be necessary to consider other arrangements. It was therefore unanimously voted "that the Potentate be authorized to act in the matter of headquarters for Aleppo Temple and that he be authorized in the name and behalf of Aleppo Temple to negotiate and complete such arrangements for lease or rental in such parts of Mechanics Building or premises elsewhere, as may seem necessary or advisable." Finally, Potentate Wilson called the attention to the Nobility to the fact that in 1939 an amendment to the by-laws had been adopted to authorize the payment of \$8,500. annually out of the principal of the Permanent Fund for the general expenses of the Temple as long as the fund remained in excess of \$500,000. This action had become necessary due to the steady decline in the amount of the Permanent Fund income each year because of lowered Savings Bank interest rates and

#### RESOLUTION

(Adopted unanimously at Annual Meeting of Aleppo Temple on Jan. 22, 1943)

"Whereas Aleppo Temple of Boston, chartered on June 6, 1883, is now fourth largest among the 159 Shrine Temples of North America; and

"Whereas Aleppo Temple, in all 60 years of its history, has never been represented on the Imperial Divan, except in the case of Noble Frank Locke who was elected Imperial Chief Rabban in 1892; and

"Whereas New England has had no representation on the Imperial Divan for many years; and

"Whereas Robert Gardiner Wilson, Jr., <sup>four</sup> times elected Potentate of Aleppo Temple, has rendered distinguished and tireless service to Shrinedom, and has exhibited splendid qualities of leadership which during 1941 resulted in the first net gain in Aleppo membership since 1927, and during 1942 resulted in the largest number of new members in any one year since 1930; and

"Whereas Robert Gardiner Wilson, Jr. has rendered distinguished service in Masonry generally, being a Past Master of Joseph Webb Lodge, A. F. and A. M., Past High Priest of St. Paul's Chapter R. A. M., Past Illustrious Master of Boston Council R. and S. M., Past Commander of Boston Commandery K. T., a member of Massachusetts Consistory 320, and at present Commander of the 6th Division of the Grand Commandery of Massachusetts and Rhode Island; and

"Whereas Robert Gardiner Wilson, Jr. has rendered energetic and distinguished public service, both City and State, in the legislative and judicial branches of our government;

"Therefore Be It Resolved—that Potentate Robert Gardiner Wilson, Jr. of Aleppo Temple be and he hereby is again endorsed by said Temple for the office of Imperial Outer Guard; and that it is the desire of said Temple that the Representatives of Aleppo Temple present his name at the next session of the Imperial Council, and that the officers and members of Aleppo Temple take all proper and lawful steps consistent with the rules and laws of the Imperial Council to bring to the attention of the Officers and Representatives thereof the qualifications of Noble Robert Gardiner Wilson, Jr. for Imperial office, and that the Recorder of Aleppo Temple be instructed to forward a copy of this resolution, under the seal of said Temple, to each member of the Imperial Council, and to each Temple of the Ancient Arabic Order Nobles of the Mystic Shrine."

also due to the fact that over 50% of the members of Aleppo Temple were life members. He stated that during 1942, however, operating income has exceeded expenses and he was therefore in a position to refund an amount sufficient to insure no reduction in the principal of the Permanent Fund for the past year's operation of the Temple, if such action was desired by the Nobles. Or, the money could remain available for current expenses with the possibility of an additional Ceremonial, and assurance of continued activities despite present conditions. By unanimous vote the latter alternative was adopted.

There being no further business to come before this meeting the afternoon business session was closed and the ritualistic degree team ushered in the 32 candidates present and obligated them into the Order of the Mystic Shrine.. The work of the degree team consisted of the first and third sections of the ritual.

At 5.00 P. M. a buffet dinner was served in the banquet hall by Chief Steward, A. E. Yarlotte and his corps of assistants.

At 6.15 P. M. the Shrine Band, under the direction of Walter M. Smith, Jr., gave a band concert in Grand Hall which was followed by the evening business meeting and election of officers at 6.45 P. M.

At this business meeting Illustrious Potentate Wilson introduced Mr. Thomas Temple Pond of the Speakers' Bureau, who was present on invitation of Aleppo Temple, to give an address in behalf of the Greater Boston United War Fund. Mr. Pond was enthusiastically received and thanked the Nobles for allowing him to appear before them to outline the program planned by the Fund which

is having its annual drive this week. The previous evening the Aleppo Temple Drum Corps and Band, on the invitation of the Mayor of Boston, gave a half hour concert to open the Mam<sup>th</sup> Annual United War Fund Rally at the Boston Garden.

Following the address by Mr. Pond, the annual election of officers of Aleppo Temple was declared in order; resulting in the unanimous election of the following officers of Aleppo Temple for the ensuing year.

#### TRUSTEES OF THE PERMANENT FUND:

Joseph A. Bryant, re-elected for 3 years.

T. Frederick Brunton, (elected to fill the unexpired term caused by the death of Robert Gardiner Wilson, Sr., expiring January, 1944.)

Upon motion of Assistant Recorder Harvey B. Leggee, it was unanimously voted to empower the Potentate and Representatives of Aleppo Temple to the 1943 Imperial Council Session to the convention to spend such moneys as they think fit and proper for Aleppo Temple's participation in the 1943 Imperial Council Session.

The officers elected were duly installed by Past Potentate Charles T. Cahill. Potentate Wilson, who was unanimously elected for a fourth term and being the 22nd Potentate in the 60 year history of Aleppo Temple, thanked the Nobility for their confidence in him and for the honor conferred. He promised the Nobility to serve Aleppo Temple the coming year to the best of his ability and for the good of all Shrinedom.

Following the installation of officers, Assistant Recorder Harvey B. Leggee announced that Illustrious Noble Walter Morrison, who had just been re-elected Recorder for the 16th consecutive time, was ill at home and unable to be present at this annual meeting. He made a motion which was unanimously carried, that Illustrious Noble Morrison be sent a telegram advising him of his unanimous re-election to serve Aleppo as Recorder for the coming year.

Potentate Wilson called the attention of the Nobles to the fact that Noble Frederick H. Smith of Rich Street, Mattapan, a 35 year member of Aleppo would celebrate his 50th wedding anniversary

the following day, with Mrs. Smith. Upon motion it was unanimously voted to send a telegram of congratulations to Noble and Mrs. Smith.

The election of officers having been completed and no further business to come before the Temple, the 60th annual meeting of Aleppo Temple was declared closed.

The Nobles present then witnessed an hour and a half high class vaudeville show by Noble Charles W. Pike, a past master in the art of entertainment. This show was attended by several hundred uniformed men of the Armed Forces of the United States and Allied countries who had accepted the invitation of Aleppo Temple and had been admitted to the hall following the business meeting. There were approximately 2,000 Shriners present at the annual business meeting.

In the absence of Recorder Walter W. Morrison, Assistant Recorder Harvey B. Leggee acted as Secretary of the meeting.

The 128 new candidates were then escorted into the Temple where they received the first and third sections of the ritual, exemplified by the Ritualistic Degree Team under the leadership of Noble Wilfred Mills, Director of Ritualistic work.

Following the degree work the meeting was adjourned to be opened again in Grand Hall at 6.30 P. M. The Aleppo Stewards under Chief Steward Al Yarlott served a continuous buffet dinner to the 3,000 Nobles present from 5 to 7 P. M. which was well received despite necessary war time ration restrictions. The Aleppo Band with Noble Walter M. Smith, Jr. wielding the baton, gave a band concert from 6.00 to 6.30 which was followed by the entrance of the Potentate and officers, officially opening the evening meeting and ceremonies.

Illustrious Potentate Robert Gardiner Wilson, Jr. introduced to the Nobles at this meeting the following distinguished visitors:

The Imperial Potentate of North America, Albert H. Fiebach of Al Koran Temple, Cleveland, Ohio.

The Imperial Chief Rabban of the Imperial Council, Alfred G. Arvold of El Zagel Temple, Fargo, N. D.

Past Imperial Potentate Clarence M. Dunbar and Past Potentate and Recorder James A. Rogers of Palestine Temple, Providence, R. I.

Illustrious Arlen M. Spencer, Past Potentate of Melha Temple, Springfield, Past Grand Commander of the Grand Commandery of Massachusetts and Rhode Island..

Noble Edward F. Robinson, Imperial Representative from Anah Temple, Bangor, Maine.

Past Potentates F. Lawrence Bulfinch and John M. Mathes of Bektash Temple, Concord, New Hampshire.

Past Potentate Fred W. Powers of Oriental Temple, Troy, N. Y.

Ill. Potentate Charles H. Lewis, Chief Rabban Fred Stickler and Past Potentate William E. Bissell of Cairo Temple, Rutland, Vt.

Ill. Potentate Lewis J. Scheaffer, Chief Rabban Elford H. Morison and Past Potentate George J. Wallingford of Kora Temple, Lewiston, Maine.

Ill. Potentate George C. Carr and Divan of Melha Temple, Springfield, Mass.

Ill. Potentate Delbert W. Gross and Recorder William H. Duthie of Mt. Sinai Temple, Montpelier, Vermont.

Ill. Potentate George A. Weller and Divan of Palestine Temple, Providence, R. I.

Following the introduction of guests the national colors were displayed while the Shrine Band played the National Anthem and the entire

Nobility pledged their allegiance to our country.

Illustrious Potentate Wilson then presented Assistant Recorder Harvey B. Leggee, who addressed the Nobility advising them that Aleppo Temple this year was celebrating its 60th anniversary, the charter of Aleppo Temple having been granted to Aleppo by the Imperial Council in 1883. In his remarks he said: "It is quite evident the small group of seven Nobles who formed Aleppo Temple back in 1883 did not realize they were forming an organization which 60 years later would have a membership consisting of nearly 10,000 red blooded American men. Nor did they believe that 60 years hence, this country, and the whole world would be involved in the greatest struggle of mankind. Today, we of Aleppo Temple are justly proud of the fact that 231 of our Nobles have answered the call to the colors in this great conflict.

"Our Temple is also celebrating another anniversary today: the 85th birthday anniversary of one of Shrinedom's most prominent and honored Nobles, our oldest living Past Potentate and Recorder, Walter W. Morrison. And as one who has had the pleasure of being associated with him in the office of Recorder for the past 16 years, it gives me great pleasure at this time to present to you, Illustrious Potentate Wilson, as a tribute to this great Shriner, a service flag in honor of the 231 Nobles of Aleppo who are now serving in the Armed Forces of our country."

At the conclusion of the remarks of Assistant Recorder Leggee, a large service flag bearing the figures 231 was unfurled from the proscenium arch. As the flag unfurled the Nobility stood and sang America, which was led by the Aleppo Chanters and the Shrine Band.

The honored guest of the evening, Imperial Potentate Albert H. Fiebach, was then introduced to the Nobles of Aleppo Temple. He told the Nobility of his many interesting visitations to Shrine Temples throughout the country and brought great applause when he said they he

had not addressed a larger and more enthusiastic crowd of Nobles than those present. He also stated that the class of 128 candidates initiated at this ceremony was the third largest class of Novices he had seen in his visitations during the past year.

The Imperial Potentate was very enthusiastically received by the Aleppo Nobles and will long remember this special Ceremonial held in his honor.

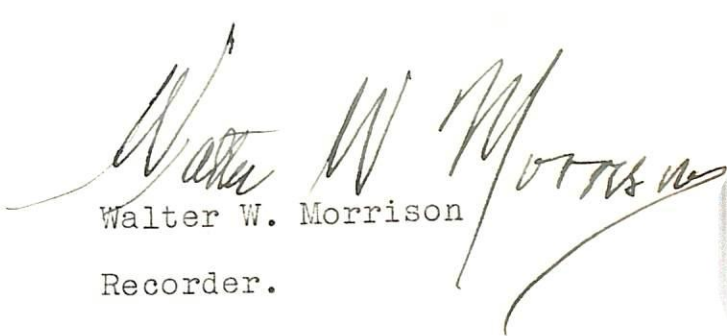

A very impressive evening parade and review was staged by the uniformed units under the direction of acting Captain William F. Sharpe, Jr., assisted by Chief of Staff, Henry D. Cormerais.

Following the address by the Imperial Potentate the work of the second section of the ritual work was carried out by Director Frank W. Watson and his members of the Degree Staff.

The vaudeville show staged by Charles W. Pike concluded the evening's entertainment.

By unanimous vote the following distinguished visiting Nobles were elected to Honorary Membership in Aleppo Temple.

John P. Weatherwax, Potentate of Oriental Temple, Troy, N. Y.  
Earl E. Raymond, Potentate of Elf Khurafah Temple, Saginaw, Mich.  
Joseph R. Higgins, Potentate of Cyprus Temple, Albany, N. Y.  
Richard A. Brown, Recorder, Elf Khurafah Temple, Saginaw, Mich.  
Edward I. Cooper, Representative, Salaam Temple, Newark, N. J.  
Eugene S. Howard, Representative, Cyprus Temple, Albany, N. Y.

Palestine Temple of Providence, R. I., having made a written request for a release of jurisdiction over Gerald E. Riley of North Attleboro, Mass., a motion was made to grant the same which was unanimously adopted.

It was announced by the Secretary of the meeting that Mount Sinai Temple of Montpelier, Vermont, had made a request to Aleppo Temple to initiate Morris Isacowitz, who had been duly elected a member of that Temple and was entitled to the Order. Candidate Isacowitz was present and was duly worked with the 90 candidates of Aleppo Temple at this Ceremonial.

There being no further business, to come before the business meeting, the 90 aspirants for the Order, previously elected, were escorted into the Temple where they witnessed the

first and third sections of the Shrine ritual and were duly obligated into membership of the Mystic Shrine.

Potentate Wilson made several announcements of interest to the members present, prominent among which was the fact that Aleppo Temple was continuing to do its share in the all out effort for the war as proven by the fact that the Temple has purchased to date nearly a quarter of a million dollars' worth of War Bonds, and that 261 Nobles of our Order have joined the Armed Forces of our Country.

Following the afternoon business meeting and initiation of candidates, the banquet hall was opened at 5:00 P. M. to the Nobility who participated in a well served buffet dinner of unrationed food by Andrew S. Seiler, caterer, under the direction of Aleppo's steward, Al Yarlott, and his corps of assistants.

At 6:30 P. M. the evening business meeting was opened in Grand Hall, Mechanics Building, following the parade of uniformed units, officers and distinguished visitors. Illustrious Potentate Wilson introduced to the Nobility the following distinguished Nobles: John P. Weatherwax, Potentate of Oriental Temple of Troy, N. Y.; Dr. Larry Bulfinch, Past Potentate of Bektash Temple of Concord, N. H.; John R. Higgins, Potentate of Cyprus Temple, Albany, N. Y.; as well as Dr. Ralph D. Maguire, Past Potentate; George Shermeshorn, Chief Rabban; E. Harold Gale, High Priest and Prophet; Edward M. Henderson, Oriental Guide; Ralph S. Lansing, 1st Ceremonial Master, Eugene S. Howard, Representative; Col. Stanley H. Hunsicker, and George Foll, all of Cyprus Temple, Edward I Cooper, Representative of Salaam Temple of Newark, N. J. Hillman C. Mathews and Milton F. Steward, both members of the Patrol of Luxor Temple, Saint John, N. B.

An outstanding feature of the Shrine Meeting was the displaying of the flags of the thirty-four allied countries participating in the present war. Each flag was carried by a member of the 2nd Platoon of the Aleppo Patrol across Grand Hall floor where they were lined up in front of the stage in the shape of a large "V". As each flag entered the hall, Illustrious Potentate Wilson announced the name of the country to which it belonged and the date that country entered the present war.

The several platoons of the Arab Patrol exhibited their skill in drill work and fancy maneuvers and in a contest for honors the first platoon was presented the chevrons for the best drill.

The second section work of the Shrine ritual was carried out under the supervision of Director Frank Watson, ably assisted by his crack crew of cohorts who put on an exhibition of floor work, which will long be remembered by the active candidates who participated.

Following the work by the Degree Staff the Nobility were entertained by another outstanding Broadway vaudeville show staged by Aleppo's entertainment maestro, Noble Charles Washington Pike.

There were approximately 2300 Nobles who had journeyed to Mechanics Building by foot, carriage and other unrationed means of transportation to attend this traditional Spring Ceremonial. These Nobles were well repaid for their trouble and left for home highly resolved to do their utmost to bring to a quick conclusion, the present war that they may once again participate in our pre-war Shrine Ceremonials.

Frank M. Ames, Recorder of Oriental Temple, Troy, N. Y.  
Robert C. Booth, Recorder of Mahi Temple, Miami, Fla.

C. C. Nye, Recorder Za-Ga-Zig Temple, Des Moines, Iowa.  
Glen V. Stephens, Potentate of Zor Temple, Madison, Wis.  
T. E. Stinson, Recorder of Moslem Temple, Detroit, Mich.

Potentate Wilson thanked the Nobles for their support of his program of activity in the past and announced several coming events of the Temple for the balance of the year including the annual Shrine baseball day at Fenway Park, Thursday, September 9th, the third annual Shrine circus in Boston Garden, September 25th to October 3d, the resumption of the Shrine Luncheons in the Copley Plaza Hotel, September 28, the Annual Ladies Bridge and Dance at the Hotel Statler October 29 and the regular ceremonial November 30.

At the conclusion of the business meeting the Officers retired from the stage and the Ritualistic Degree Team, under the direction of Noble Wilfred C. Mills, gave a rendition of the first and third sections of the Shrine ritual in full form.

This is the first opportunity the Ritualistic Team has had to work on a large stage before an audience of this size, due to the fact that this work in the past has taken place in the afternoon on ceremonial days, in a small hall. Noble Mills and his co-workers, who are all past masters of Blue Lodges, are to be congratulated for their wonderful ritualistic work which was witnessed for the first time by most of those present.

At the conclusion of the Ritualistic degree work, Potentate Wilson delivered the "Inspired Charge" to the candidates in his usual magnificent and effective manner.

The Aleppo Degree Staff also had the opportunity to work in an entirely new setting. Being the first time this Staff has had to work on a stage they are to be commended for their ability to create new stunts of interest and keep things humming right on schedule. Under the leadership of Director Frank W. Watson, the

Degree Staff boys put the candidates through their paces in a manner most pleasing to the Nobility present and very effective to the newly created Novices.

Noble Charles Washington Pike, Aleppo's Director of Entertainment presented an outstanding one and a half hour Grand Jubilee Vaudeville show consisting of some of the biggest and most celebrated actors in this part of the country, which closed one of the most successful ceremonials Aleppo has had for many months.

Despite the rationing regulations governing travel and food, this special Ceremonial was attended by 2500 Nobles including 38 visiting Nobles from 18 Temples of the Order.

OFFICE OF THE IMPERIAL POTENTATE.  
TORONTO, CANADA, November 23, 1943.

GENERAL ORDERS No. 3,  
SERIES OF 1943-1944.

To the Representatives of the Imperial Council, Potentates of Sub-ordinate Temples and the Nobility of the Order:

### "Es Selamu Aleikum"

Effective as of this date, I announce the appointment of Noble EVERETT W. JACOBS, of ALEPPO TEMPLE, Boston, Mass., as Imperial Recorder succeeding the deeply beloved and much lamented Imperial Recorder, Illustrious Noble James Hubert Price, who was suddenly called to his reward on Monday, November 22nd, at his home in Richmond, Va.

Noble Jacobs, as you know, has been the assistant of Illustrious Noble Price since he assumed office in 1927. His vast experience and intimate knowledge of the laws and activities of the Shrine, as well as his wide acquaintanceship, eminently qualify him to carry on the activities of the Imperial Recorder's office.

It is hoped that he will have the hearty cooperation of the Nobility of North America.

Given under my hand and the seal of the Imperial Council this 23rd day of November, A. D. 1943, and of the Order A. H. 1362.

The Fall Ceremonial and Business Meeting of Aleppo Temple of Boston, Massachusetts was held Tuesday, November 30, 1943 in Mechanics Building. Due to the fact that the U. S. Army had taken half of Mechanics Building to be used as barracks it was necessary to make many changes in the regular routine program connected with the Ceremonial of the Temple in past years.

The afternoon business meeting for the purpose of receiving and balloting upon petitions for membership in the Order, together with other business which might be brought before it, was held at 4 P. M. in the large meeting hall at Shrine Headquarters. This meeting was presided over by Potentate Robert Gardiner Wilson, Jr. assisted by his elected and appointed officers.

The following list of 110 aspirants for the Order was read and balloted upon, resulting in their unanimous election to membership. The 39 names starred were elected at the Special Meeting held on October 29, 1943.

My dear Harvey:

Your wire regarding election of  
Brother (now Noble) Frederick B. Walker received  
in due course.

Our plans worked out as follows:

Immediately following the opening of the Temple  
our Captain of the Guard escorted this Candidate  
to the Alter, where he was presented to the waiting,  
Acting Potentate Milo Coffrin, who administered the  
obligations, followed by our Chanters singing our  
obligatory hymn. Past Potentate E.E. Westman gave  
the lecture on the fez and informed him of the signs  
and words of the Shrine. This was followed by the  
inspired charge by Past Potentate Henry L. Oppenborn.  
He has promised to present himself to our December  
4th Ceremonial, where he can try out his tender  
"soles" in the highly "warmed" sands of Mahi.

Really, we all feel you have added  
a very fine man to your Nobility and that Shrinedom  
is the gainer too.

With kindest thoughts to Aleppo  
from all of Mahi, I am

Sincerely, yours in the Faith,

50 MEMBERSHIPS ADDED TO  
HOSPITAL ENDOWMENT FUND

THE subscriptions to the Shriner Hospital Endowment Fund have now reached the 552 mark topped by the purchase of 5 memberships by the widow of one of Aleppo's late members in memory of her Shriner husband, Noble Charles R. Tuckett.

Aleppo has set as its goal a total of 1,000 memberships before the end of 1944 and this goal seems certain judging from the fact that nearly 250 memberships were purchased in the first quarter of the year.

In view of the interest created in Aleppo Temple, Mr. Harvey Beffa, of St. Louis, Mo., a member of the National Board of the Shriners' Hospitals, paid a special visit to the Nobles of Aleppo at our April 5th Ceremonial and in an address with reference to the work being done by the Shrine Hospitals, thanked the Nobles of Aleppo for their wonderful assistance in boosting the sales of the Endowment Fund memberships in Aleppo 400 per cent in the past year.

These memberships may be purchased in any quantity, for \$60.00 each, by any person or any organization interested in the work of the Shrine Hospitals for Crippled Children. Many memberships have been sold to Commanderies, Clubs and other organizations as well as to relatives and friends of Shriners.

A Shriner purchasing one of these \$60.00 memberships is relieved of the annual \$2.00 Hospital Assessment. This assessment is paid by the Endowment Fund to the Hospitals each year in the name of the Noble, not only as long as he lives, but as long as the Shrine Hospitals exist. The entire amount subscribed to these memberships are invested in War Bonds by the National Governing Board of the Shrine Hospitals and is exempt from Federal income tax.

Notes from "Shrine News"

NOBLE DOOLITTLE PROMOTED

ANOTHER star has been added — it's Lieut. Gen. James H. Doolittle now. Among the many American flyers who have distinguished themselves for their resource, courage and fighting brilliance, none has deserved recognition more than this flying General whose technical, strategic and personal knowledge has made him one of the war's outstanding air leaders.

He's the kid who broke up the San Diego air show with his stunting, the guy who once set an airplane down on the parade ground at West Point, the man who first flew from Coast to Coast in twenty-four hours non-stop, the recipient of the Congressional Medal of Honor for leading the raid on Tokyo.

He's Lieut. Gen. Jimmy Doolittle, the crazy, methodical, bronco-busting pilot who's currently commanding the Eighth Air Force in the crucial job of promoting the second front in the air over western Europe. He's Noble Doolittle of AL MALAIKAH (Los Angeles).

FEZ ON TARGET

A MIGHTY factor in attaining Allied supremacy of the skies on all battlefronts is the mighty B-19. It was one of the largest airplanes ever designed and built — a fore-runner and omen of the superplane of tomorrow. A great genius of airplane engineering and planning is Nelson A. Baird of the Douglas Corporation. It was Noble Baird of AL MALAIKAH (Los Angeles) who was the engineer appointed to take care of this important B-19 assignment. Mr. Harvey B. Leggee,  
Assistant Recorder,  
Aleppo Temple, A.A.O., N.M.S.,  
97 Huntington Ave.,  
Boston 16, Mass.

Dear Noble Leggee:-

Your air-mail, special delivery letter of May 26th was delivered to me this afternoon. Air-mail letters which usually took but a couple days to reach the Canal Zone from the U.S.A., are now taking from five and sometimes ten days to arrive.

You inquired concerning a waiver of jurisdiction on Brother Anthony Catanzano who applied for the Order of Noble of the Mystic Shrine in Abou Saad Temple and who was elected at the business session of our Temple on April 30, 1943.

The matter was referred to our Potentate who authorized me to advise you that Abou Saad Temple hereby relinquishes jurisdiction over this candidate-elect in order that he may be initiated in Aleppo Temple. Brother Catanzano was unable to appear and pay any fee for initiation at our Spring Ceremonial held in May, 1943, and you may therefore proceed to accept and act upon his petition. This confirms our Cablegram sent you this date and which I hope arrives in time to allow you to accept and initiate the brother at your Ceremonial scheduled to take place on June 3rd.

With fraternal regards and best wishes, I am,

Yours in the Faith,

*H. A. Comley*

that Potentate Lombard be authorized to spend such monies as he deems necessary for the proper representation of Aleppo Temple through its representatives and Imperial Officer at the Wartime Conference and Business Session of the Imperial Session to be held in Milwaukee, Wisconsin, July 5, 6 and 7, 1944.

Upon motion of Assistant Recorder, Harvey B. Leggee, duly seconded, Imperial Potentate Morley E. MacKenzie was elected to Honorary Membership in Aleppo Temple. There being no further business the business meeting was adjourned and the Ritualistic Degree Team, under the direction of Wilfred C. Mills, ushered the 185 candidates present into the Temple where they worked the 1st and 3rd sections of the Shrine ritual in full form upon the novices present.

Following the ritualistic work the banquet hall was opened in Grand Banquet Hall, under Grand Hall, Mechanics Building.

At 5.30 P. M. a parade was formed outside Mechanics Building consisting of the Officers, Band, Patrol, Mounted Patrol and Degree Staff, who marched to the Copley Plaza Hotel in Copley Square where they met the Imperial Potentate. During a short ceremony in the Square, Potentate Willard P. Lombard presented a check for \$25,000. to a representative of the Government for the purchase of War Bonds to start the Big 5th Victory Loan Drive in Boston. Potentate Lombard also presented a check for \$1,000. to the Grand Lodge of Masons as a donation to the \$200,000 fund being raised by the Grand Lodge to carry

out a program they have outlined which includes the operation of big Service Centers at Fort Devens and Camp Edwards for the entertainment of servicemen.

Returning to Mechanics Building, Potentate Lombard opened the evening meeting in Grand Hall at 6.30 P. M. Following the introduction of distinguished guests the uniformed units of Aleppo Temple formed two lines across the floor of Mechanics Building and the Imperial Potentate was escorted between the lines riding on the huge Aleppo Bean Pot.

After being presented to the Nobles of Aleppo, Imperial Potentate MacKenzie thanked the Officers and members for their cordiality and generous hospitality during his visitation to the 4th largest Temple in Shrinedom. In speaking of his many visitations to the Temples of the Shrine throughout North America, the past year, Imperial Potentate MacKenzie said that one of the most interesting and unique gatherings he had attended was held in Cambridge, Massachusetts, Saturday May 6, where he was an honored guest at a Golden Anniversary Dinner given to the 50 year members of Aleppo. This Golden Anniversary dinner was given by Noble William E. Smith of the Smith House, Cambridge, and was attended by 20 of the 36 living Nobles who have belonged to Aleppo Temple 50 years or over.

Following the evening parade and review of the uniformed units of the Temple, Major Benjamin R. Vaughan, Commander of the units, with the help of the uniformed men

produced a most unusual design which covered nearly the entire floor of Mechanics Building. This design was composed of the various colored jackets worn by the uniformed men and skilfully placed on the floor in the form of a scimitar and crescent. In front of the design was a large emblem bearing the name "MacKenzie" in three-foot letters. This design, which had been devised and worked out by Major Vaughan after many weeks of planning, was received with great applause by the members. The Imperial Potentate told Major Vaughan and the uniformed units that this display was the most original display he had witnessed in his travels the past year.

During the ritual work of the evening meeting the prayer at the alter was offered by Rev. Luther L. Weller who was one of the candidates at this ceremonial. Rev. Weller is the present Grand Prelate of the Grand Commandery of Massachusetts and Rhode Island.

The Degree Staff, under the leadership of Director Frank W. Watson, received the commendation of the Imperial Potentate for their outstanding work of the 2nd section of the ritual. Noble Watson and his crew have been kept busy devising new stunts for the second section work due to the fact that Aleppo has held three Ceremonials in the past three months.

Following the initiation of the candidates by the Degree Staff an hour vaudeville show was presented under direction of Noble Charles W. Pike, consisting of high class vaudeville.

At this Ceremonial Lt. Ellis D. Verink, Jr. of Lincoln, Neb., who was stationed at Portsmouth, N. H. with the U. S. Navy, was worked with the candidates by request of Sesostris Temple of Lincoln, Nebraska. At the request of Al Chymia Temple of Memphis, Tenn., Aleppo Temple also obligated candidate Thomas G. Jewett of Memphis.

Due to the fact that the U. S. Army had occupied half of Mechanics Building for the past year and who had vacated, it was possible to hold the afternoon meeting and ritual work in Talbot Hall. However, it was impossible to use Machinery Hall for the banquet as there were temporary partitions and plumbing equipment which must be removed. The officials of Mechanics Building have assured the officers of Aleppo that the entire building will be in readiness at the next Ceremonial which will greatly alleviate the congestion caused by the necessity of holding meetings and feeding the members in temporary and smaller quarters.

The attendance at this meeting was 2,660.

Illustrious Potentate Lombard then called the attention of the Nobility present to the fact that the call for this meeting contained a notice requiring election of a Recorder of the Temple to fill the unexpired term caused by the resignation of Illustrious Noble Walter W. Morrison. Potentate Lombard paid great tribute to Illustrious Noble Morrison, who served as Potentate of Aleppo Temple for thirteen (13) years and as a Recorder for seventeen (17) years. An outstanding record of service. Potentate Lombard advised the Nobility that due to a

recent illness, Noble Morrison had been confined to his home for several weeks, and found it necessary to tender his resignation as of August 1, 1944, upon receipt of which, he appointed Assistant Recorder Harvey B. The Fall Ceremonial and Business Meeting of Aleppo Temple of Boston, Massachusetts was held Tuesday, November 28, 1944 in Mechanics Building.

A record Number of 4,200 Nobles attended this Ceremonial to greet Imperial Potentate Alfred G. Arvold who was paying an official visit to Aleppo Temple.

The afternoon ritualistic work which followed the short business meeting and election of candidates was given in Paul Revere Hall to a capacity audience of members and candidates. At this business meeting a record class of 448 candidates filed petitions for membership in the Temple; this being the largest class of candidates in 23 years.

At the business meeting, releases of jurisdiction were granted to Palestine Temple over Frank J. Charrette of Attleboro, Russell Stanley Robinson of North Attleboro and J. Venner Makant of Attleboro.

Releases of jurisdiction were also granted upon request of Melha Temple over Anastas Velarides of Webster, Mass. and Charles Reinhart Spahl of Webster.

Potentate Lombard advised the members of Aleppo that he had received a request from Potentate A. M. Nichols of Palestine Temple requesting Aleppo Temple to take proper steps for the changing of the Imperial Council Laws granting concurrant jurisdiction for

Palestine Temple in Bristol County, Massachusetts. Potentate Lombard said that he had advised Potentate Nichols of Palestine that he was not in favor of crossing state lines for concurrent jurisdiction and therefore would not take action on the same.

Upon motion duly seconded it was unanimously voted that a committee be appointed for the purpose of obtaining a Past Potentate's jewel to be presented to Potentate Lombard at the annual meeting on January 26, 1945, who will have served Aleppo Temple as Potentate for one year.

Illustrious Noble Frank H. Phillips,  
Potentate of Pyramid Temple.

Following the ritualistic work the Banquet Hall was  
opened at 5.00 P. M. At 6.30 P. M. the evening business meeting  
was opened in Grand Hall, Mechanics Building by Illustrious  
Potentate Willard P. Lombard. At this evening meeting Potentate  
Lombard spoke very fittingly of that grand old Shriner, Past  
Potentate and Recorder Emeritus, Walter W. Morrison, in whose  
honor this Ceremonial was being held. Due to illness, Walter  
was not able to appear at the Ceremonial, however, Potentate  
Lombard's tribute to him was accepted by the thousands of Nobles  
present by great cheers and applause. The Potentate said that  
in Noble Morrison's 12 years as Illustrious Potentate of Aleppo  
Temple he had set up the enviable record of initiating 12,345  
Shriners in addition to the many outstanding events he produced

for the edification of the Nobles of Aleppo during his reign of office from December, 1914 to January, 1926. He further stated that Noble Morrison, who has been a members of Aleppo for 50 years is one of the best known Shriners in North America, having attended nearly 30 Imperial Council Sessions in which time he lead the Officers and Uniformed Units of Aleppo in Shrine parades in all parts of the country.

Following Potentate Lombard's remarks the Aleppo Patrol formed on the floor of Grand Hall and sang the old familiar Potentate's song written by Noble Chick Story in honor of Walter, "We Have A Grand Old Potentate, Walter is his Name."

At this Ceremonial the Illustrious Potentate introduced the Imperial Potentate of the Shrine of North America, Illustrious Noble Alfred G. Arvold who was paying Aleppo Temple a fraternal visit. Illustrious Noble Arvold addressed the Nobility in his usual and outstanding eloquent manner. He told of his visits to the many Shrine Temples throughout North America where he found that Shrinedom was moving forward and that the gain in membership, nationally, during the year would be a most pleasing one. He also spoke very feelingly of the work being carried on for unfortunate crippled children through the Shriners' Hospitals and thanked the Nobility of Aleppo Temple for the part they have played in boosting their \$60.00 memberships in the Shrine Hospital Permanent Endowment Fund, 100% this year.

The Imperial Potentate was accompanied by Imperial Assistant Rabban Carl Rex Hammers of Pittsburgh and Imperial Recorder Everett W. Jacocks of Richmond Va. who is a member of Aleppo Temple.

Many distinguished Masons who are Nobles of Aleppo Temple were present at this meeting to greet the Imperial Potentate and his suite, among whom were Illustrious Melvin M. Johnson, Sovereign Grand Inspector General of the Supreme Council of the United States of America and Most Worshipful Claude L. Allen, Past Grand Master of Masons in Massachusetts.

The floor work of the Degree Staff under the leadership of Director Frank W. Watson was carried out with great finesse to the edification of the Shriners and guests present and to the exasperation of the Novices who provided the piece de resistance. The Degree Staff did an exceptional job on their floor work and provided a grand evening of entertainment.

To climax the day's festivities a vaudeville show was provided by Boston's well known entertainment manager, Noble Charles W. Pike. There were 4,200 Nobles present at this Ceremonial.

Among the notable candidates who witnessed for the first time the Shrine ritual as portrayed by the Aleppo Temple Ritualistic Degree Team were: Most Worshipful Arthur W. Coolidge, President of the Massachusetts State Senate and Grand Master of Masons in Massachusetts in the year 1944; Right Worshipful Whitfield W. Johnson, Grand Marshal and Judge Advocate of the Grand Lodge of Masons and Em. Commander of St. Bernard Commandery. These newly created Shriners were introduced to the Nobles and the large class of candidates present by Potentate Lombard and were very enthusiastically received by the Nobility.

Previous to the ritualistic work, Potentate Lombard also introduced one of the candidates of the afternoon, Noble Wallace E. MacQuarrie, who was a patient in the Shriners' Hospital at Springfield 17 years ago. Noble MacQuarrie is now Assistant Supervisor of Personnel in a large electrical plant in Danvers. He told the Nobles what the Shrine Hospital had done for him through the alleviation of his crippled condition. He said that following his release from the Shrine Hospital he entered college and while there played baseball and football. The Nobles present were deeply stirred by Noble MacQuarrie's story and very happy to have, as a member of Aleppo Temple, a former child from our own Shrine Hospital.

Any Shriner who could hear this former patient's story would have little doubt in his mind of the wonderful work being carried on by these nationally known Shrine Hospitals which were built and have been supported for the past 22 years mainly through the annual \$2.00 contribution of all Shriners.

Every seat in Paul Revere Hall was taken for this Special Meeting to witness the second outstanding class of candidates receive the degrees in Aleppo Temple during 1944. Following the initiation the Recorder announced that this class of candidates brought the total for the year to 1212, the largest number created in one year since 1921.

All deposits in the savings banks, the U. S. Government Bonds, and the cash on deposit have been verified by me by examination, in accordance with instructions received from the Finance Committee.  
The records of the Treasurer of the Trustees of the Permanent Fund of Aleppo Temple have been examined and found correct.

ALBERT FRUH,  
Auditor and Accountant.

January 11, 1945.

Upon motion duly seconded, Hon. Thomas Hall, Secretary of State of North Dakota and a member of El Zagal Temple, was unanimously elected to Honorary Membership.

Following the acceptance of the reports The Potentate called the attention of the Nobles to the fact that the

Temple had created 1212 candidates during the year, which was the largest number in 23 years and that the net gain of 982 for the year was likewise the largest in many years. At the completion of the obligation and initiation of candidates by the Ritualistic Degree Team the Temple was closed to be opened again in Grand Hall at 7 P. M. A buffet dinner was served from 5 to 7 P. M. in Exhibition Hall. From 6.15 to 6.45 P. M. the Shrine Band, under the direction of Walter M. Smith, gave a band concert in Grand Hall.

At 7 P. M. Illustrious Potentate Willard P. Lombard called the meeting to order for business and the annual election of officers.

In his address to the members Potentate Lombard thanked the Nobles of Aleppo Temple for the support they had given him in making his year a most successful one. He declared this success was due to the cooperation of the Nobles, especially through the procuring of the record number of 1212 candidates for the year. He also publicly thanked his officers for their support and assistance in the operation of the Temple during his term of office.

There being no further business the Illustrious Potentate called for the election of officers for the ensuing year, resulting in the unanimous election of the following:

Potentate	Arthur A. Sondheim
Chief Rabban	Lionel G. H. Palmer
Assistant Rabban	Justin A. Duncan
High Priest & Prophet	Wallace D. Riddell
Oriental Guide	Frank B. Ellis
Treasurer	Frank W. Morrill
Recorder	Harvey B. Leggee
Trustee of the Permanent Fund for three years;	
T. Frederick Brunton.	

Elected Representatives to the Imperial Council  
for 1945.

Arthur A. Sondheim  
Willard P. Lombard  
Lionel G. H. Palmer  
Justin A. Duncan

In accepting the election to the office of Potentate of Shrinedom's fourth largest Temple, Noble Sondheim assured the members of Aleppo that he truly appreciated the tremendous responsibility as well as the numerous duties pertaining to this exalted position and that he would foster the good fellowship existing in Aleppo Temple. He said he deeply appreciated the great honor the Nobles had bestowed upon him and promised to endeavor to carry out the traditions of Aleppo Temple and give the Nobility the best administration in his power.

The newly elected Potentate, Illustrious Noble Arthur A. Sondheim was duly installed in office by Past Potentate Harry G. Pollard.

The elected Divan Officers were installed in their respective offices by Past Potentate Willard P. Lombard.

Following the installation of officers, the Most Worshipful Grand Master of Masons in Massachusetts, Noble Samuel H. Wragg, invested Potentate Sondheim with a Potentate's fez, emblematic of his office. The newly elected Potentate told the Nobility that he was very proud to be the first Potentate of Aleppo Temple who had ever been crowned in office by the Presiding Grand Master of the Grand Lodge of Masons in Massachusetts. He said that he was deeply grateful to the Grand Master for his graciousness in conferring this great honor

on him.

Aleppo Temple was highly honored at this Annual Meeting in having many distinguished Masons and Nobles in attendance accompanying Grand Master Wragg, including Most Worshipful Melvin M. Johnson, Past Grand Master and Sovereign Grand Commander of the Supreme Council of the Scottish Rite, Northern Jurisdiction of the U. S. A; G. Lester Marston, Grand Commander of the Grand Commandery of Knights Templar of Massachusetts and Rhode Island; William S. Cooper, Grand Warder of the Grand Commandery; Stanley W. Wilson, Deputy Grand Master of the Grand Lodge of Masons in Massachusetts; Claude L. Allen, Past Grand Master and Past Potentate Harry G. Pollard, Past Grand Master of the Grand Encampment of Knights Templar of the United States.

At the close of the evening election and business meeting the Degree Staff, under the leadership of Director Frank W. Watson, took over the business of entertaining the Nobles present by initiating the candidates in the second section floor work. This work was very enthusiastically received and took place on a large stage erected in the center of the floor of Grand Hall.

A one-hour vaudeville show, under the direction of Noble Charles W. Pike, concluded the festivities of the day, which seemed to leave the Nobility with nothing but great praise for the Officers and workers who had staged this Annual Meeting and Ceremonial. There were 3262 Nobles present at this meeting.

Both of these distinguished Nobles who are Executives of the  
U. S. Treasury Department traveled from Washington to Boston for  
the express purpose of attending this meeting and War Bond Rally.

During the afternoon meeting Potentate Sondheim ad-  
dressed the Nobles present thanking them for their assistance in

obtaining the class of 143 candidates for this exceptional Ceremonial. He explained to the members that the order of events at this Ceremonial deviated from the program of former meetings in order to open the doors of Grand Hall to the public at 7.30 P. M. that they might participate in the big Bond Rally program outlined for the evening.

Following the Potentate's remarks the 143 candidates were ushered into the Hall where they received the initiation and the Order of the Mystic Shrine in full form as portrayed by the celebrated Aleppo Temple Ritualistic Degree Team.

Following the ritual work the doors were open to the banquet hall where the members enjoyed a palatable buffet dinner as prepared by Chief Steward A. E. Yarlott and his assistants.

At 6.30 P. M. the Temple was opened in Grand Hall and Potentate Sondheim introduced the distinguished guests, among whom were several Potentates and their suites from many New England Temples.

Under the direction of Major Benjamin R. Vaughan the Arab Patrol gave an outstanding exhibition of fancy drilling on the floor of Mechanics Building which followed a half hour band concert by the Aleppo Shrine Band under the direction of Walter M. Smith.

Director Frank W. Watson and the members of his Degree Staff received considerable praise and commendation for their part in the second section work of initiating

the candidates.

At 7.30 P. M. the doors were opened to the public and the Aleppo Temple Bond Rally was officially opened with an address by Potentate Sondheim in which he asked all members, their families and friends to get behind the Temple in its big \$10,000,000.00 Bond Drive which had received the sanction of the U. S. Treasury Department and the Massachusetts State War Finance Committee. Potentate Sondheim presented Mr. F. W. Denio, Chairman of the State Committee, who in turn, introduced Chief Boatwain's Mate Cesar Romero, nationally known moving picture star who had recently returned from 18 months in the Pacific War area. Mr. Romero gave a most interesting address on his experiences and urged all Shriners to help bring the boys home sooner by backing the 7th War Loan to the limit.

Mr. Denio told the members of Aleppo that he had great faith in the organization completing its gigantic task of soliciting \$10,000,000.00 in War Bonds during the 7th War Loan and assured them that his committee was confident they would reach their goal.

Also present as a guest of the Temple was actress Mitzie Green, who appeared to assist in this War Bond Drive.

Past Potentate Robert Gardiner Wilson, Jr. addressed the Nobles and spurred them on to victory by presenting Potentate Sondheim a check for \$25,000.00 from the Trustees of the Permanent Fund of Aleppo with which to purchase a \$25,000.00 bond in the name of Aleppo Temple, to be credited to the Temple's

big War Loan Drive. He stated that this purchase brought the total amount of the Temple's investment in War Bonds to \$300,000.00.

The stage of Mechanics Building was decorated in a spectacular setting for this Bond Drive and Ceremonial.

There were 3,100 Shriners present at the Ceremonial who were joined by 1,000 non-members for the Bond Rally in the evening.
